

Proofpoint Essentials

Proofpoint Essentials offers best-in-class security with a solution specifically designed for SMBs.

QUALIFYING QUESTIONS FOR YOUR CUSTOMERS & PROSPECTS

- Have you been impacted by email threats and/or email fraud?
- Are you running or planning to migrate to Office 365?
- What would happen if your business couldn't access email for several hours?
- How are you ensuring sensitive data doesn't leave your business through email?
